

# **Wakehurst Social Tennis Club**

## **Treasurers Report 2020**

2020 has been a better and positive year for Wakehurst Social Tennis Club. Thank you again to Wendy and Lisa for their assistance in my absence.

With the COVID 19 restrictions beginning at the end of March we only paid \$240.00 for the month of April (Busselton's Singles).

2020 also shows an increase in the club membership for the year.

The fund raising initiative organised including the increased fees of the Club Championship has helped the incoming amount of \$21,179.60 in 2020, with an outgoing amount of \$15,931.50. (please refer to the 2020 financial report)

Our overall operating margin showed a gain of \$5,247.16 which is a good outcome. However, with the membership and Clubs Championship's fees which have been increased, I hope this will help us sustain a reasonable bank balance for 2021.
