## **Tennis Etiquette:**

A reminder of the tennis etiquette during play

Serving from both ends (change after odd)

Short deuce at all times (golden point on second deuce)

Return balls to the server immediately after point

If a ball from another court interferes with a point, restart it

Do not return a fault (if you can avoid it)

Server to call out score before commencing a new game and before serving

Call your end only, and only after the ball has bounced

When in doubt, the ball is in

No talking during points unless ball is on your side of net (ie. instructing your partner)

## **Game Organising:**

The Club Captain and Play Coordinators organise playing groups of four people for each court

Males partner with females if at all possible

Attempt to not put on sets which will be too one-sided

## **Warwick Rule:**

It is expected that all players are prepared to play with all other players regardless of ability
